It cannot be over-emphasized that although the goal must be to eliminate violence against unborn children and their mothers, we must oppose the use of violence in any form to achieve this objective. Such violence against human beings is indefensible.

The decision to take a human life to solve a problem is by definition, ... not pro-life.
WAR HISTORY

“...Both parties deprecated war, but one of them would make war rather than let the nation survive, and the other would accept war rather than let it perish, and the war came.”

DISHONORABLE DISCHARGE

You must develop your expertise with all weapons at your disposal to defend the sanctity of human life, but you must always avoid collateral damage...

...or you will be cleaning latrines!

Is that clear, soldier!!
We have an obligation to participate in shaping the moral character of society.

Teaching about the dignity of every human person and the sacredness of every human life helps us more clearly see the same truths using our God-given gift of human reason.

The U.S. Constitution protects the rights of individual believers and religious bodies to participate and speak out without government interference, favoritism, or discrimination.

The Catholic community brings important assets to the public dialogue about our nation’s future, and...
...the Catechism tells us...

1913-1915: “It is necessary that all participate, each according to his position and role, in promoting the common good. This obligation is inherent in the dignity of the human person...as far as possible citizens should take an active part in public life.”
Dear friends,

Thank you for coming together for this second annual Gospel of Life Convention, co-sponsored by the Archdiocese of Kansas City in Kansas and the Diocese of Kansas City-St. Joseph. It is a privilege to welcome you and greet you this morning. I am grateful for the encouragement of your presence and – as a Bishop it is my solemn and joyful duty to do all I can to fortify you in your own faith.

But as I speak a word of encouragement today I also want to tell you soberly, dear friends, “We are at war!”

Prayer to End Abortion

Lord God, I thank you today for the gift of my life,
And for the lives of all my brothers and sisters.

I know there is nothing that destroys more life than abortion,
Yet I rejoice that you have conquered death
by the Resurrection of Your Son.

I am ready to do my part in ending abortion.
Today I commit myself
Never to be silent,
Never to be passive,
Never to be forgetful of the unborn.

I commit myself to be active in the pro-life movement,
And never to stop defending life
Until all my brothers and sisters are protected,
And our nation once again becomes
A nation with liberty and justice
Not just for some, but for all.

Through Christ our Lord. Amen!
