

Meditations for Pro-Life Stations of the Cross

The First Station: Jesus is Condemned to Death

Though innocent, Jesus is condemned by the power of the State. In like manner, our innocent brothers and sisters in the womb have been condemned. Their rights and dignity are not recognized. In this, they bear a special likeness to Jesus.

The Second Station: Jesus is Made to Bear His Cross

The salvation of the world carried a heavy price for our Lord, the agony of the cross. As He accepts His cross, let us also resolve to endure suffering that others may live. Let us pay the price for standing up for our preborn brothers and sisters.

The Third Station: Jesus Falls the First Time

Almighty God was weak because He chose to be like us. He had power and glory from all eternity, yet He chose to be immersed in the world of suffering. We pray that the benefits and advantages we have in life may not cause us to forget our pre-born brothers and sisters.

The Fourth Station: Jesus Meets His Afflicted Mother

There is no deeper relationship than that of mother and child. They belong together. When one suffers, the other suffers. To love and defend one means to love and defend the other. To be pro-life means to serve both the child and the mother. It means to ask our society, "Why can't we love them both?"

The Fifth Station: The Cyrenian Helps Jesus Carry His Cross

Many watched the Lord suffer. Simon the Cyrenian helped alleviate that suffering. Many lament abortion. Some actually get involved to help to stop it. We pray that all people may take their active place in the pro-life movement.

The Sixth Station: Veronica Wipes the Face of Jesus

The compassion Veronica shows reflects the compassion of so many medical doctors and nurses, who treat their patients with dignity. We pray for repentance and renewal in the medical profession. May the tools and skills meant for healing nevermore be used for killing.

The Seventh Station: Jesus Falls the Second Time

In working to defend life, there are many setbacks and obstacles. Yet we know the meaning of the cross. In weakness, power reaches perfection. We do not look to our own strengths and talents alone, but to Christ. His own strength will sustain us.

The Eighth Station: Jesus Speaks to the Women of Jerusalem

Christ told these women to weep for themselves and for their children. He does not want false worship, but repentance. He does not want followers who cry out to Him but then ignore injustice and bloodshed. May all who believe in Christ likewise stand up for the defenseless children.

The Ninth Station: Jesus Falls the Third Time

Despite the falls, nothing can stop our Lord, because He is on a mission of love. If the pro-life movement is not a movement of love, it is nothing at all, but if it is a movement of love, then nothing will stop it. Love is stronger than death, more powerful than hell.

The Tenth Station: Jesus is Stripped of His Garments

Nobody can stop us from loving our preborn brothers and sisters. Those who are stronger than we are may strip us of popularity, possessions, or power, but they cannot strip us of love. We love others with the same love that Christ showed for us.

The Eleventh Station: Jesus is Nailed to the Cross

The powers of this world crucified the God who made this world. All power and authority come from God. All who exercise power have to account for it before the throne of God. We pray that those in government may use their powers to protect the innocent babies in the womb.

The Twelfth Station: Jesus Dies on the Cross

Our Lord died. So many of His children have died with Him. His passion is re-lived with every abortion, one every twenty seconds in our country. We only know a fraction of the horror of this act in the sight of God. We only know a fraction of the horror of Christ's crucifixion. May all our brothers and sisters killed by abortion rest in Christ's peace and be saved by His cross.

The Thirteenth Station: Jesus Is Taken Down from the Cross

Mary experienced the pain of holding her dead Son. So many mothers grieve after their abortions. We ask that Mary may comfort them, help them face the truth about abortion, and lead them to forgiveness and healing.

The Fourteenth Station: Jesus is Laid in the Tomb

A tomb is a memorial. It helps us remember the one who can no longer speak. May we and our society remember the babies who cannot speak. May we also remember Our Lord's Resurrection, and His promise of eternal life. He has conquered abortion because He has conquered death. May we bring His victory to every part of our world!
